

Qualification and Statement of Attainment Issuance Policy

Purpose

This policy describes the process by which HIVE – Hampton Institute of Vocational Education (HIVE) will record and issue Testamur's and Statements of Attainment to learners who have met the requirements for a qualification that is listed on HIVE's scope of registration. This will be in accordance with the requirements of the Australian Qualification Framework (AQF) and the Standards for Registered Training Organisations (RTOs) 2015.

Scope

This policy applies to HIVE and its learners addressing the program requirements for the awarding of a Testamur or a Statement of Attainment. The policy does not apply to non-AQF qualifications.

Definitions

A **Testamur** is an official certification document that confirms that a qualification has been awarded to an individual. This may also be called a 'parchment', 'award', 'laureate' or 'certificate'.

A **Statement of Attainment** (SOA) is issued when one or more units of competency from nationally recognised qualification/s have been achieved. The SOA is issued for partial completion of a course and for completion of Skill Sets.

A **Record of Results** is a record of all learning leading to an AQF qualification or an accredited unit in which a learner is enrolled and is issued by an authorised issuing organisation. This may be called a 'transcript of results', 'academic transcript', 'record of achievement' or 'statement of results'.

NVR is an acronym for the National VET Regulations. These exist and are regulated by ASQA or the Australian Skills Quality Authority.
